

Everyone Belongs

Words & Music by John van de Laar

INTRO: **C G D Em** (x2)

VERSE 1:

C G D Em
Every pointing finger, every careless word
C G D
Each self-righteous judgement, each voice we have ignored
C G D Em
Each excluded pilgrim we fail to walk beside
C G D
It's you we're hurting, Jesus; you we have denied

CHORUS:

G D Em C G
Give us eyes to see you, Jesus, and hearts that will embrace
D Em C G
Your image that is present in each and every face
D Em C G
Let our love for you be spoken in more than word and song
D Em C D
But in living out your welcome where everyone belongs
C G D Em
Everyone belongs

VERSE 2:

Every warm acceptance, every need addressed
Every selfless action, each person that we bless
When we stand together with those the law condemns
It's you we're loving, Jesus – hidden there in them

CHORUS:
