How ever can I express the depth of love and thankfulness
 A2

That I feel for You

C#m7 **B** **C#m7** **B**
How ever to let You know the way my admiration grows
 A2

When I think of all You do

How ever do I explain the intimacy I have gained
When I look in Your eyes
Or how to tell the story of the depth of Your unfailing love
And how You chose to die

E **A2** **B**
(*) There is nothing that can touch me
E **A2** **B**
That can turn my world around
E **A2** **B**
There is no one who can reach inside
A2 **B** **C#m7** **B** **A2**
And fill me with the sound of love like You do

A2 **B** **A2** **B**
How ever can I thank You? How ever can I thank You?
A2 **B** **E**
How ever can I thank You, Jesus?
A2 **B** **A2** **B**
How ever can I thank You? How ever can I thank You?
A2 **B** **C#m7** **B** **A2**
How ever can I thank You, Lord
