Em Am7 Em
It should have been me, but You were broken
Am7 D Em
You were bound, but I go free
Em Am7 Em
Infinite love, wordlessly spoken
Am7 D G D
As You stretched out Your arms and rescued me

G D C2
(*) And I'll come to this place of comfort
G D C^{maj7} D
This place where I can gaze on Your face
G D Am7 Em
This place where my sin and pain lose their power
Am7 D Em D
And I'll fall into the depths of Your grace

In this place

The Place of the Skull; the place of Your dying
For the lost, now a safe place to hide
Beckoning words lovingly guiding
This wanderer home to Your side
